## Minutes

Attendees: Committee members Demi Allen, Lief Horwitz, David Freeburg, Robert Shulock, Shannon Glass, Chris Hammer (City Staff), Councilmember Joe Deets, Fire Chief Hank Teran.

The Committee opened by approving amendments to the minutes of the July and August 2018 meeting, with several corrections from the members.

Public Comment:

Several members of the public expressed concerns regarding intersections on Finch Road NE and Wyatt Way and Sportsman Club Road NE. The commenters were particularly concerned about a history of accidents in this area, including a recent fatality. The committee agreed that these intersections require further study and consideration for additional traffic calming measures.

Engineer Report:

- Chris Hammer provide updates on the Olympic Drive Project, which should soon be ready for bid.
- The City is nearly completed with clearing & grubbing for the Core 40 project on Miller and Fletcher Bay Road.
- The City is holding a public meeting regarding an intersection improvement at Sportsman's Club & New Brooklyn Road on October 18.
- The City has added parking improvements in several areas in Winslow, including Hildebrand and Wyatt Avenues.

Agenda Items:

- Demi Allen led a discussion of the Bainbridge Island Open Streets Festival, soliciting feedback from the Committee. Committee members had positive feedback for the event, including suggestions for future events.
- The Committee discussed public education regarding the City's SAFE Mobility Levy, including several open houses hosted by City Staff and various other outreach efforts.
- The Committee discussed a building proposal at Hildebrand Lane NE, where the City is considering potential alignments for the STO. Committee members discussed possible alternatives, including routing the STO on the west side of the development along Hildebrand Lane NE or on the east side of the development adjacent to 305.

### Minutes

Committee Attendees: Chair Lief Horwitz, Demi Allen (telephonic), David Freeburg, Robert Shulock, Shannon Glass, Don Willott, Chris Hammer (City Staff), and Councilmember Joe Deets (Liaison)

Additional Attendees: Councilmember Sarah Blossom, Councilmember Leslie Schneider, City Manager Morgan Smith, Kristin Drew (City Staff), Mark Epstein (City Staff), Ken DeWitt (Parks Commissioner), Susan Loftus (Bainbridge Mobility Alliance), Loanne Harmeling.

The Committee opened by approving amendments to the minutes of the September 2018 meeting.

Public Comment:

Members of the public expressed concerns about public opinion regarding the recent SAFE levy, along with concerns about amounts devoted to multimodal transportation during the ongoing budget process.

Agenda Items:

City Manager Morgan Smith provided a summary of transportation items in the CIP, which currently weighs transportation investments toward the years 2021-24, with fewer investments in 2019-20. Manager Smith explained that this discrepancy is driven largely by the timing of grant funds. Attendees discussed ways to increase funding for multi-model transportation projects in the ongoing budgeting process.

Engineer Report:

- Chris Hammer provide updates on the Olympic Drive Project, is nearly ready for bid. The City has completed negotiations with adjacent landowners regarding easements for construction access. Construction should begin in early 2019.
- The City is currently paving shoulders on the Core 40 shoulder improvement project on Miller and Fletcher Bay Road. The project should be done within the next few weeks.
- City Staff held a public meeting regarding a proposed intersection improvement at Sportsman Club & New Brooklyn Road on October 18. The City has developed a visualization regarding the roundabout proposed for this intersection, which received input from committee members.
- Several committee members met with WSDOT staff involved in the SR 305 Corridor Improvement study to discuss multi-modal components of the study.

Agenda Items:

- The Committee discussed responses to election results regarding the City's SAFE Mobility Levy. Committee members and attendees discussed a variety of ways to respond to concerns raised by members of the public.
