Meeting Minutes

1. Vision Zero Community Meeting (7:00pm – 8:45pm)

Kimberly Scrivener from the PSRC and Brock Howell from the Cascade Bicycle Club made presentations about their organization's work to reduce deaths and injuries from automobile collisions with pedestrians and bicyclists (Vision Zero). Mr. Howell ended the presentation by providing suggestions on what Bainbridge can do:

- Adopt Vision Zero as a goal and create a Vision Zero action plan
- Join Secretary Foxx's "Mayor's Challenge for Safer Streets, Safer People"
- Endorse the NACTO guides
- Right size your streets
- Reduce default speed limits
- Implement enforcement cameras & direct revenue to safety projects
- Make sure city prosecutor & police know how to (and do) use Washington's Vulnerable User Law (VUL) RCW 46.61.526
- Track progress with annual reports and action plans

2. Committee Meeting (8:50pm – 9:30pm)

Due to the late start, the committee focused on what needed to be covered on the agenda.

3. Engineer's Report

Mr. Hammer led brief discussions of the following:

Wing Point Way 60% plan review

Olympic Drive Plan For Approval (PFA)

STO financial update – stormwater management driving up costs.

4. Topics for May 6th meeting
